Open Our Hearts

Open our hearts, Open our minds
Open our lives to you O loving God

Ouvre nos cœurs Ouvre nos pensees
Ouvrez nos vies a toi vous O Dieu d'amour

Buksan ang puso, Buksan ang isip
Buksan ang ating buhay sa ating Diyos

It's a Great Day

It's a great day to love our God
It's a great day to love our God
It's a great day to love our God
Walking in the love of God

Walk, walk, walk, in the love, Walk, walk, walk, in the love
Walk, walk, walk, in the love, Walking in the love of God

It's a great day to share the love
It's a great day to give the love
It's a great day to spread the love
Walking in the love of God

Walk, walk, walk, in the love, Walk, walk, walk, in the love
Walk, walk, walk, in the love, Walking in the love of God

I've got peace like a river

I've got peace like a river, I've got peace like a river,
I've got peace like a river in my soul.
I've got peace like a river, I've got peace like a river,
I've got peace like a river in my soul.

I've got love like an ocean, I've got love like an ocean,
I've got love like an ocean in my soul.
I've got love like an ocean, I've got love like an ocean,
I've got love like an ocean in my soul.

I've got joy like a fountain; I've got joy like a fountain
I've got joy like a fountain in my soul.
I've got joy like a fountain; I've got joy like a fountain
I've got joy like a fountain in my soul.

Jump for Joy

I can feel you loving me, Yes, I know you care.
God, I know you're loving me, Always everywhere
I can feel you loving me, Yes, I know you care.
God, I know you're loving me, I know you're there.

And I'll jump for joy, I'm singing Alleluia
Jump for joy for you, I will jump for joy,
I'm singing Alleluia, Jump for joy for you. (Repeat ALL)

And I'll jump for joy, I'm singing Alleluia
Jump for joy for you, I will jump for joy,
I'm singing Alleluia, Jump for joy for you.

If You're Happy and You Know It

If you're happy and you know it, clap your hands
If you're happy and you know it, clap your hands
If you're happy and you know it, then your face will surely show it
If you're happy and you know it, clap your hands.

If you're happy and you know it, stomp your feet
If you're happy and you know it, stomp your feet
If you're happy and you know it, then your face will surely show it
If you're happy and you know it, stomp your feet.

If you're happy and you know it, shout "Hurray!" (hoo-ray!)
If you're happy and you know it, shout "Hurray!" (hoo-ray!)
If you're happy and you know it, then your face will surely show it
If you're happy and you know it, shout "Hurray!"... (hoo-ray!)

If you're happy and you know it,
Do all three (clap-clap, stomp-stomp, hoo-ray!)
If you're happy and you know it,
Do all three (clap-clap, stomp-stomp, hoo-ray!)
If you're happy and you know it, then your face will surely show it
If you're happy and you know it,
Do all three. (clap-clap, stomp-stomp, hoo-ray!)

Draw the circle wide

Draw the circle wide, Draw it wider still
Let this be our song, No-one stands alone
Standing side by side, Draw the circle wide

God the still-point of the circle
Round you all creation turns
Nothing lost but held forever in God's gracious arms

Draw the circle wide, Draw it wider still
Let this be our song, No-one stands alone
Standing side by side, Draw the circle wide

Let our hearts touch far horizons
So encompass great and small
Let our loving know no borders, Faithful to God's call

Draw the circle wide, Draw it wider still
Let this be our song, No-one stands alone
Standing side by side, Draw the circle wide

Lula Lei / Hokey Pokey

Refrain :
Lula Lula Lula Lula Lula Lei, Lula Lula Lula Lula Lula Lei
Lula Lula Lula Lula Lula Lei, Lula Lula Lula Lei

You put your right hand in, You put your right hand out,
You put your right hand in, And you shake it all about,
You do the hokey pokey and you turn yourself around
That what it's all about.

You put your left hand in, You put your left hand out,
You put your left hand in, And you shake it all about,
You do the hokey pokey and you turn yourself around
That what it's all about. (Refrain)

You put your right foot in, You put your right foot out,
You put your right foot in, And you shake it all about,
You do the hokey pokey and you turn yourself around
That what it's all about.

You put your left foot in, You put your left foot out,
You put your left foot in, And you shake it all about,
You do the hokey pokey and you turn yourself around
That what it's all about. (Refrain)

You put your body in, You put your body out,
You put your body in, And you shake it all about,
You do the hokey pokey and you turn yourself around
That what it's all about.

My LOVE colours outside the lines

My love colours outside the lines
Exploring paths that few could ever find
And takes me into places where I've never been before
And opens doors to worlds outside the lines

My love colours outside the lines
Tear back the curtains, Sun, come in and shine
I want to walk beyond the boundaries
where I've never been before
Throw open doors to worlds, outside the lines
